

Normand Grondin Memorial Foundation Bursary Program

The Normand Grondin Memorial Foundation (NGMF) is pleased to offer a Bursary Program to Teacher Assistants (TAs) of Camp Fortune Ski School.

The 2013 recipients were:

Xavier Luk TA-Ski of the year 2013, male

Jasmine Mussani TA-Ski of the year 2013, female

Thomas Pruner, TA-SB of the year 2013

The NGMF has been set up for the purpose of helping deserving TAs to attain Level 1 CSIA & CASI certification and education which will aid them with their career objectives in the ski industry.

Based on donations, the NGMF will offer a bursary each year and it is our hope it will make a significant contribution to the success of deserving individuals.

It is with this objective that we are offering the following:

Bursaries:

A bursary to each TA of the year, male and female, that worked at Fortune Ski School to financially assist in the costs of becoming a fully certified ski or snowboard professional.

The Bursary is to be used to offset the costs of a Level 1 CSIA or CASI course.

The Board of Directors of the Foundation will present the bursary to the recipients at the annual Ski School Banquet.

About Normand Grondin

Norm was an icon in our ski school for many years. He was instrumental and very successful in helping TAs to develop their ski skills with the goal of achieving the CSIA Level 1. With passion and resolution he helped many of us in developing a love affair

with teaching skiing to others. Norm would have the time to help others, even during his hard time. For that we will always remember him.

It is with these objectives in mind that we are asking for donations so that we will be able to continue these bursaries for years to come. Donations may be left at the cage or given to John Rogan, Denis Lacroix or Mary Lou McKay.
